

How To Guide: Submit Game Scores

Game scores are entered into the GotSoccer system by coaches immediately after the game.
(Score are not recorded for teams ages U4-U8.)

The GotSoccer system provides several convenient ways to enter your score:

- Enter on the GotSoccer website
- Phone-in scores
- Mobile App

The following steps show how to enter scores on the GotSoccer website:

First, make sure you have your Event ID, PIN, and Game #. These can be found on the Official Game Roster.

1. Click on the Recreational link on the FSA website, and then click 'Report scores.'

2. Enter the Event ID and PIN, then click Go.

HINT: The Event ID and PIN are the same for all games throughout the season.

How To Guide: Submit Game Scores

3. Enter the game number for the score you are reporting, and click Go.
