

How To Guide: Request A Conflict: **Due by Friday 8/28 @ 5PM in GotSoccer Account**

Coaching multiple teams is not considered a conflict as we already have this information in our software. Due to the number of teams, and limited field space, only FISD related conflicts will be taken into consideration.

To enter a request in GotSoccer Team Account:

1. From your team account on gotsoccer.com, click Event for the current season.
